Lens System for Sunburst

Model: hf-SBLENSYS

Lens System for Sunburst

Manufacturer: HydroFarm

Hydrofarm Lens System for Sunburst (SBLENSYS) Upgrade your Sunburst reflector with this optional lens system. Using a lens with your grow setup is highly recommended. It can keep mist and damp off your bulbs when working with water, and is required for reflectors that are UL listed. Lenses are also essential for keeping your reflector's surface clean.

This sheet of glass slides easily into the Sunburst, ready to transform your Sunburst to its best possible performance output.

Lens dimensions: 12-13/16" x 14-7/8"
