Lighthouse 2' x 4' Indoor Greenhouse

Manufacturer: HydroFarm

Lighthouse 2' x 4' Indoor Greenhouse (eco-5460)Lighthouse 2x4 Indoor Greenhouse

The Lighthouse offers features normally found on more expensive huts. With 3 sizes available to fit your specific growing needs, the Lighthouse will let you grow bigger, taller crops throughout the year.

All Lighthouse models feature:

- .8mm steel poles, powder-coated white
- Strong, plastic molded corners
- Premium quality zippers, same as used on more expensive units
- Duct ports - 5 on smaller tents, 6 on 4x8 tent
- Roll up rear door with straps to keep the doors open
- Duct ports with twin socks, no flanges necessary
- Waterproof double layered floor
- Inner lining is 500 D canvas material with dimpled metallic.... the same as premium units
