Macro Plugs (2000 per Cs) 1.5" round cube (eco-5537B) Macro Plugs, case of 2000 round plugs with slit

These rockwool plugs feature a slit for easy insertion of rooted cuttings. They fit perfectly into the hole of any standard rockwool block or any other type of growing medium.

Grodan Macro Plugs

Macro Plugs have a slit that allows easy insertion of a cutting. These loose round plugs fit perfectly into the Gro-Block hole and the Grodan Starter Tray. For best results with these Macro Plugs always insert them in a tray with individual cells, such as the Grodan starter tray. The individual cell will make sure the plug stays closed around the stem of your cutting.
