## Microbe-Life Plus C Gallon (CA and NM Only) (4/Cs)

Model: 717625

Microbe-Life Plus C Gallon (CA and NM Only) (4/Cs)

Manufacturer: MICROBE Life Hydroponics

Microbe Life Plus-C

Patent Pending Technology

Use in Addition to ALL Nutrient & Fertilizer Programs for Maximum Yields.

Contains Ecto- & Endomycorrhizal Fungi

Hydro or Soil

Aquaponics Safe

The consortium of cultures contained in this bottle of Plus-C is made up of both Endo- and Ectomycorrhizal fungi plus four Bacillus strains, fermented together in this bottle for over six days.

The result is a complete ecosystem in a bottle.

Application Uses: Plus-C may be used indoors/outdoors with all hydroponic, NFT, drip, aeroponic, irrigation and continuous liquid feeding systems.

**Price: \$53.66**
