Model: hf-AERO603

Mixed Romaine Seed Kit - A Hydrofarm Exclusive!

Manufacturer: AeroGrow International, Inc.

AeroGrow Mixed Romaine Seed Kit - A Hydrofarm Exclusive! (AERO603) A HYDROFARM EXCLUSIVE!

A mixture of crispy, sweet, red and green leaf Romaine varieties that are great for salads, sandwiches, or creating your own signature Caesar salads. More nutritious and full of fiber than regular lettuces. Begin harvesting in three to four weeks and enjoy continuous harvests for up to four months.

Includes 7 seed pods with a bouquet of red and green Romaine varieties

Works with the AeroGarden 7 pod unit (AERO500).
