Manufacturer: Grotek

Grotek MM 2000 1L (GTMM21L)

mm2000 is an organic-based, biodegradable and non-toxic (animals and humans) stress relieving product, designed to promote/maintain better plant growth. Its major constituents are some beneficial plant nutrients, amino acids, plant extracts and essential oils, which help plants in maintaining vigorous plant growth. Plant derived amino acids provide instant energy that can support the plant to come out of any stress. mm2000 can be used either as a foliar application or through nutrient solution. Its use through nutrient solution will shield the fragile root system from unfavorable nutritional effects.
