MycoMaximum 5 lb.

Model: hf-HNMMX415

MycoMaximum 5 lb.

Manufacturer: Humboldt Nutrients

Humboldt Nutrients MycoMaximum 5 lb. (HNMMX415) Not for sale in Hawaii Myco Maximum Granular contains 8 species of growth-enhancing mycorrhizal fungi, proprietary ingredients, 12 strains of beneficial bacteria, and 2 Trichoderma species.

Adds organic matter and helps to break down nutrients and micro-nutrients present in your growing medium or soil which are necessary for plants throughout their life cycles.

Increase the surface-absorbing area of the roots from 10-10,000 times, greatly improving the ability of plants to grow, fruit and flower by forming an intricate web that captures and assimilates nutrients and water for the plant.

GUARANTEED ANALYSIS

Mycorrhiza: Endomycorrhiza/cc

Glomus aggregatum
8 spores per cc

Glomus intraradices
8 spores per cc

Glomus mosseae
8 spores per cc

Glomus entunicatum
8 spores per cc

Glomus monosporum
2 spores per cc

Glomus deserticola
2 spores per cc

Glomus clarum
2 spores per cc
