Natural 2-Part Box Starter Kit

Model: hf-HNBKN300

Natural 2-Part Box Starter Kit

Manufacturer: Humboldt Nutrients

Humboldt Nutrients Natural Two-Part Basic Starter Kit includes the key natural products that gardeners who demand only the most natural elements expect.

Included are Grow Natural and Bloom Natural, the centerpieces of HN's natural feeding schedule. Also included are an excellent natural additive, Humboldt Honey ES, and a natural soluble mycorrhizal compound, MycoMadness. These four products combine to form the backbone of HN's natural feeding schedule and can easily be expanded with more natural Humboldt Nutrients additives and products.

Kit Contains the Following:• Grow Natural, 16 oz• Bloom Natural, 16 oz• Humboldt Honey ES, 16 oz• Equilibrium, 16 oz• Myco Madness, sample (approx. 1 oz)

Price: \$31.45
