Natural Forces Sucrashield Pint 8/cs

Manufacturer: -

Natural Forces Sucrashield

SucraShield sugar-based Insecticide/Miticide/Ovicide provides fast and sure biochemical control on a wide range of soft-bodied problem pests in the greenhouse and nursery as well as fruits, nuts, mushrooms and vegetables. Based on natural sugar esters, its unique mode of action creates holes in the target pest, causing rapid death from dessication and suffocation. Not for sale in PR. EPA Reg. No. 70950-2-84710.
