Manufacturer: Oregon's Only Organics

Nectar for the Gods - Herculean Harvest

“WOW” best describes this product. Like no other liquid bone meal in the industry, Herculean will make things happen. Rich in calcium phosphate, liquid bone meal serves two major purposes in an indoor garden: As a feed, Herculean will promote stronger cell strength, solid stems and heavier fruit; As a flush, bone meal will tie up unwanted salts and facilitate the uptake of macro nutrients.
