Neptunes Harvest Kelp Meal 50 lb Bag

Manufacturer: -

Neptune's Harvest Kelp Meal

Neptune's Harvest Organic Kelp Meal is *Ascophyllum Nodosum*, which is widely recognized as one of the finest marine plants available for agriculture today. Kelp Meal is a natural and cost effective enhancement to any soil fertilization and conditioning program. It is suitable for all crops and applications, and can be mixed with most soil conditioners and fertilizers. It can also be incorporated into potting soils, seed and transplant beds, as well as composting material. Kelp Meal contains minerals, carbohydrates and amino acids. It will add organic matter to your soil and help it retain moisture. It will enhance healthy root growth.
