Neutralizer - Banish Tobacco Odor Eliminator Kit

Model: hf-NE3300

Neutralizer - Banish Tobacco Odor Eliminator Kit

Manufacturer: -

The Neutralizer Banish Tobacco Odor Kit— A Professional Odor Eliminator System!

Compact, easy-to-use and cost-effective! The Neutralizer Banish doesn't mask unwanted tobacco odors—it completely eliminates them!

Consisting of a cartridge containing a combination of essential oils and a plug-in sized electronic vaporizer, the Neutralizer will target and eliminate tobacco odors within an hour of activation. It doesn't mask them—it neutralizes them! Plus... it's completely hypoallergenic and there's no absorption into surrounding areas.

The Neutralizer Banish Kit is a highly elaborate and secret formula of essential oils. Thanks to its patented system of heat transmission, The EME achieves and maintains the exact temperature required in order to evaporate The Neutralizer's essential oils at a constant rate and in a controlled manner. It therefore manages to transform our secret blend of essential oils into volatile particles which are capable of neutralizing septic odors. This system is characterized for its: • Not harmful – natural ingredient blend • No absorption into the surrounding environment • Endurance - up to 6 week life with constant 24 hour use • Great coverage – up to 13,000 cubic feet • Hypoallergenic • Compact plugin size - low energy consumption • Neutralizes within an hour of activation • Easy installation • Replaceable cartridges available

The Neutralizer Banish Tobacco kit contains: • The Neutralizer Essential Oil cartridge • Electronic Molecule Evaporator EME120 • Wick

Technical & Safety Information for the EME120 (Electronic Molecule Evaporator)

• Product: EME 120 • Material: PP Plastic • Voltage: 24, 110-125 • Frequency: 50/60 Hz- 50 Hz • Consumption: 2.8W-2.8W • Control: Switch • Connection: With line cord • Weight without cartridge: 0.37 lb • Range: up to 13,000 cubic feet • Insulation: Class II • Standard: EN 60335-1

Important Safety Information for The Neutralizer Essential Oil cartridge:

Do not ingest. Keep out of the reach of children. Wear suitable gloves. Essential oils are harmful to sea life and may cause long term adverse effects to the aquatic environment. If swallowed, seek medical advice immediately and refer your doctor to the contents of this product.
