Manufacturer: Olivia's Solutions

Olivia's Solution Olivia's Cloning Solution, 1 qt (OCS1) You don't need Dr. Frankenstein's laboratory to create amazing clones. Implement Olivia's Cloning Solution into your indoor garden growing plan and enjoy these features:

Rapid root development

Feed new cuttings as they root

90%-100% success rate

Eliminate transplant shock

Superior start and growth

Available in liquid or gel form

Safe and easy to use

Olivia's is an "equal opportunity" cloning solution -- it works on both indoor and outdoor plants, as well as plants being grown hydroponically or with soil. Both home hobbyists and professionals will reap Olivia's benefits.

Note: small black particles will appear in the formula and color will change to a darker almost black color over time - this is normal. Shake the bottle well before using. Bottle may bulge/expand at bottom - this is normal - open cap to relieve pressure.
