Parabolic 48in White Reflector (100/PIt)

Model: 904110

Parabolic 48in White Reflector (100/PIt)

Manufacturer: Sun System / Sunlight Supply

Parabolic and Cone Reflectors

Brushed aluminum on the backside and white on the inside (where lamp is located).

All reflectors include assembly hardware.

Reflectors come unassembled.

All reflectors include the Adjust-a-Socket mounting bracket. Socket sold separately. This exclusive adjustable bracket allows the user to raise or lower the lamp within the interior of the reflector, thus customizing light patterns.

Note: MP protected metal halide lamps necessary for ETL listings to apply on open (vertical burning) metal halide fixtures. Standard HPS lamps meet ETL listing requirements.

All Reflectors are shown with optional lamp and socket.
