PARsource Commercial DE Open Lighting System, 120/240V

Model: hf-PHDEKT2

PARsource Commercial DE Open Lighting System, 120/240V

Manufacturer: -

Performance, Quality & Reliability: Introducing The Commercial DE Open Lighting System

The Commercial DE Open Lighting System is state-of-the-art double-ended technology that uniformly delivers optimum PAR value over a broad footprint. The Commercial DE Open Lighting System gives you the unique ability to remove the ballast from the reflector so it can be used remotely, allowing you to operate the ballast outside of your grow room, to effectively reduce heat load.

The Phantom Ballast Commercial DE drives maximum PAR value. This ballast is designed with a high precision microprocessor that makes it totally silent, lightweight, highly efficient, and extremely reliable.

High frequency design optimized for double-ended 1000W lamps

High-precision microprocessor control

Four-way dimming: 60%, 75%, 100%, and Super Boost (up to 1150W lamp output)

Robust commercial design

Superior reliability

LED status indicator

Internal RF shielding

Patented ignition control

End of lamp life signal

Auto restrike feature protects valuable lamps from damaging power interruptions

Cooling fins for maximum heat dissipation

Suitable for use in damp locations

120v/240v

DE1000 Lh Reflector: Hydrofarm engaged a renowned American lighting engineer to design the most efficient DE open type reflector on the market. This reflector delivers uniform growth over a broad footprint, and effectively dissipates heat while operating the DE bulb at ideal temperatures, for maximum light output and lamp life.

Double-ended system delivers higher PAR value with incredible uniformity

Open design for maximum light output, optimum heat management, and longer lamp life

Highly efficient in overlapping multi-light configurations

Premium aluminum European hammer-tone interior: 99.85% pure, 95% reflectivity

European-made VS K12 x 30S high temperature lamp holders

DE Bulb: This package features a European made premium DE lamp with a rated PAR output of 2100 umol

CSXCORD: Lock & Seal lamp cord extension allows for remote operation up to 15' (sold separately)

Price: \$395.05
