Perlite #3 - 4 cu/ft bag

Model: dl-900003

Perlite #3 - 4 cu/ft bag

Manufacturer: -

Perlite #3 - 4 cu/ft bag (900003) Perlite #3 features large coarse particles which maximize nutrient uptake, drainage, and aeration and help prevent water rot at the root level. Perlite #3 can be used as a stand-alone medium in drip systems or as a mix-in element with other growth mediums, and works especially well for plants that need excellent drainage.

Sold in 4 cu/ft bags

1 pallet = 30 bags. Complete pallets will receive a price break per bag. Incomplete pallets will be charged regular price.
