Phantom Commercial DE Open Reflector (with armature)

Model: hf-PHRW010

Phantom Commercial DE Open Reflector (with armature)

Manufacturer: -

DE1000Lh Reflector: Hydrofarm engaged a renowned American lighting engineer to design the most efficient DE open reflector on the market. This DE Open type reflector delivers uniform growth over a broad footprint. The louvered reflector effectively dissipates heat while operating DE bulbs at ideal temperatures for maximum light output and lamp life.

- Double-ended system delivers higher PAR value with incredible uniformity
- Open design for maximum light output, optimum heat management, and longer lamp life
- Highly efficient in overlapping multi-light configurations
- Premium aluminum European Hammertone interior: 99.85% pure, 95% reflectivity
- Vossloh-Schwabe K12 x 30s high temperature lamp holders

Please note that for remote usage, a lamp extension cord is required. Hydrofarm offers 5 foot (CSXCORD5), 15 foot (CSXCORD) and 25 foot (CSXCORD25) options.

Patent Number: D731,109

Bulb not included.

Price: \$86.09
