Physan 20 8oz

Manufacturer: HydroFarm

Physan 20 Physan 20 8oz (PSPH8)PHYSAN 20™ is a broad range disinfectant, fungicide, virucide, and algaecide which effectively controls a wide variety of pathogens on hard surfaces and plants. Its applications include greenhouses; hard surfaces; lawn and turfgrass; seedlings and cut flowers; decorative fountains, pools and birdbaths; and plants.

It is an EPA approved concentrate formulated with unique germicidal agents to provide overall protection for your plants and greenhouses.

It poses no human or environmental risk when it is used at recommended use levels and according to label instructions.

PHYSAN 20 controls disease-spreading organisms which can be carried from plant to plant by using contaminated pots, flats, seed beds, soil, tools and human hands.
