Plant Success Soluble 4 oz.

Model: hf-PRPSSOL04

Plant Success Soluble 4 oz.

Manufacturer: Plant Revolution

Plant Success Soluble 4 oz. (PRPSSOL04) Plant Success Soluble is a soil drench for porous soil and contains 13 carefully selected mycorrhizal fungi, 2 trichoderma species, and 17 bacterial species well-suited to a variety of soils, climates, and plants. Plant Success Soluble contains mycorrhizal fungi that colonize plant roots and extend the root system into the surrounding soil, greatly enhancing the absorptive surface area of root systems, forming an essential link between plant and soil and producing seedlings of the highest quality. Also included is specially-formulated natural root biostimulant. The plant enjoys improved nutrient and water uptake, as well as superior field performance. Plant Success Soluble can be stored in a cool dry area for 24 months without loss of viability.

Directions for use: Plant Success Soluble can be watered into existing plants, seed beds, propagation trays, watered on roots at transplant time or injected into soil for mature plants.

Existing landscape trees and shrubs- Mix 6 ounces in 100 gallons of water or 12 ounces in 200 gallons of water. Use spray pattern for deep root feeding. Inject ½ gallon per hole 2 times a year or more frequently for stressed plants. Can be used any time root systems are active. May be mixed with mechanical equipment that allows passage of No. 50 screens (300 microns) or larger particles.

B&B plantings - Mix 6 ounces in 100 gallons of water or 12 ounces in 200 gallons of water. Spray or pour on the root balls until saturated just before backfilling.

Nurseries - Mix 1 pound with 200 gallons of water. Use as soil drench in porous media. Each pound treats 2000 square ft. of nursery area for small plants or 4000 square ft. of nursery area for plants 1 gallon size or larger.

Reduces:

Drought stress

Water and fertilizer needs

Increases:

Flowering and fruiting

Water and nutrient storage and uptake

Promotes:

Extensive root system

Soil structure

Vigor and growth

Available in 4oz, 8oz, and 16oz packets.
