PLANTERS PRIDE 50 PELLETT REFILL KIT

Model: 714257

PLANTERS PRIDE 50 PELLETT REFILL KIT

Manufacturer: Planters' Pride

Planters' Pride® Pellet Refill Kits

Fiber grow pellets are dried and compressed in a fine mesh netting

These pellets and mesh liner are 100% biodegradable

Pellets are universal and fit in all Planter's Pride Fiber Grow Greenhouse Kits

Fiber Grow is made from coir, a highly renewable resource. They offer all the benefits of peat without the harmful effects on the environment. In addition, coir has the capacity to absorb more water and retain it for longer periods than peat products. The mesh liner on Fiber Grow pellets is also made from natural ingredients, allowing it to break down into the soil unlike other comparable growing pellets.
