PlantMax 600W Pulse Start MH 10K

Manufacturer: -

Plantmax Pulse Start Metal Halide provides two different color temperatures (CCT) -7K, and 10K. This allows growers to use the same ballast for the entire growing cycle from starting, blooming, and finishing. Growers have a selection of wattages to choose from from to best fit their growing needs. Plantmax Pulse Start Metal Halide is also electronic-ballast friendly.
