Power Plant. 1 Gallon

Model: HY472

Power Plant. 1 Gallon

Manufacturer: Botanicare

Botanicare Power Plant 1 Gallon. Specially formulated for accelerated vegetative growth in plants. For container gardens, or soilless hydrogardening applications. Water your favorite indoor and outdoor plants to provide them with the essential nutrients they crave. Because the nutrients in Power Plant are completely soluble and immediately assimilated, your plants will look healthy and beautiful in no time at all. You will never have to worry about burning your plants because it is completely balanced, safe, and environment-friendly.
