

Powerbox LSM-8 Flipbox

Model: 702980

Powerbox LSM-8 Flipbox

Manufacturer: PowerBox

Powerbox LSM-8 Flipbox The FLIPBOX® LSM-8 is 4 ballast, 8 light FLIPBOX® that allows you to run 8 lights from 4 ballasts. Convenient single unit with built-in timer allows for complete automation of switching between 8 lights from 4 ballasts. Voltage independent - works with 120 Volt and 240 Volt ballasts. Fits Sunlight Supply® style ballasts.

Detachable trigger cord can override the built-in timer, so Powerbox™ can be controlled by your own timer, or other devices. Hand-built at their California factory, 5 year warranty.

Price: \$383.90
