Powerhouse 1000w/480v Sodium Ballast

Model: hf-PH57366

Powerhouse 1000w/480v Sodium Ballast

Manufacturer: HydroFarm

Hydrofarm Powerhouse 1000w/480v Sodium Ballast (PH57366) The Powerhouse is packed with features that make it the most advanced electromagnetic HID ballast on the market. With its durable all-aluminum exterior construction and its offset high/low component orientation, it runs quieter and cooler than any other magnetic ballast we have ever made. Cool components mean higher performance and longer life.

Features:

Portable remote ballast design

CSA certified

Rugged and durable

North American brand components

U.S. patent D546,282

Air coolable with optional flange kit & fan

Compatible with all reflectors offered by Hydrofarm & most others

Includes 8' of 600v rated power supply cord

Ideal for Commercial Input Voltage Applications

Note: Plug not included. Licensed electrician recommended for installation.
