Powerhouse 400W 120/240v HPS Ballast

Model: hf-PH57363

Powerhouse 400W 120/240v HPS Ballast

Manufacturer: HydroFarm

Hydrofarm Powerhouse 400W 120/240v HPS Ballast (PH57363) The Powerhouse is packed with features which make it the most advanced electromagnetic HID ballast on the market. With its durable all-aluminum exterior construction and offset high/low component orientation, it runs quieter and cooler than any other ballast we have ever made. Cool components mean higher performance and longer life, which we guarantee with an 8 year warranty.

Features

Coolest running

Ultra-quiet with ISO-mount silencer

Rugged and durable

Dual voltage

North American brand components

Every unit factory tested

8 year warranty on ballast electrical components

U.S. patent D546,282
