powerPAR 200W/120V Greenhouse LED Fixture

Model: hf-ILP2120

powerPAR 200W/120V Greenhouse LED Fixture

Manufacturer: -

Intense Light, Intense Savings

The powerPAR Greenhouse LED Fixture, available in three power variations (530W, 390W, and 185W), delivers a higher PPF (usable light that actually reaches the plant) per watt value to the plant canopy than other equivalent LED greenhouse fixtures. The powerPAR's scientifically developed horticultural growth spectra and proprietary, patented optics ensure that nearly every single watt of energy is used for optimum plant growth and the highest yields.

120V/208V/240V/277 capable

Comes wired 120V with plug

- All-aluminum construction with white gloss finish protects against corrosion in humid environments
- Patented Digital Distribution™ optical technology ensures that 65% of the light emitted is contained within the 50° beam angle
- Two-part, high-temperature silicone potting protects LED and wiring connections from moisture
- ETL/cETL listed for damp locations
- 50,000 hour life to L70
- Made in USA

Price: \$773.35
