Premium White Port Hole Cover

Model: hf-HGRESPPHC

Premium White Port Hole Cover

Manufacturer: HydroFarm

Active Aqua Premium White Port Hole Cover (HGRESPPHC) The Active Aqua by Hydrofarm port hole cover fits all premium sizes of flood tables we offer.

Features

Slightly convex and ribbed design for strength and drainage of any water that may collect on top

Fits inside the reservoir top to guarantee that water on it falls back into the reservoirs

Multi-drill access points to install various meters and pump cords

Convenient access port hole (available separately)

The Active Aqua line of flood tables, reservoirs, and covers offers features that rival the competition at value prices, including:

True, full-size dimensions and volume to provide maximum growing area

Made from durable, high-impact ABS plastic with UV resistance for longevity

Stronger corners and thicker walls than any others in their class
