Pro Silicate 1 It

Model: hf-GTPROS1L

Pro Silicate 1 It

Manufacturer: Grotek

Grotek Pro Silicate 1 It (GTPROS1L) Pro-Silicate is a nutritional silicate additive containing potassium and silicon. It helps keep the plants upright, positioning the leaves correctly for maximum light exposure that ultimately leads to more food production because of a high rate of photosynthesis. Pro-Silicate helps the plant battle wilting and drought by acting as insulation against excess water loss at higher temperatures. This helps increase plant growth and prolongs bloom life.
