(60/pallet)**

Model: 714334

PURE EARTH INDOOR AERATION FORMULA 1.5 cu ft 30 lbs (60/pallet)

Manufacturer: Organicare

Pure Earth®; Pure Earth Indoor Aeration Formula

Pure Earth® is blended using superior, and all natural ingredients, insuring that your plants receive the natural benefits that only organics can provide. Pure Earth® is a premium, organic-based potting soil.

The Indoor Aeration formula holds a higher oxygen content making this blend more suitable for indoor applications, automated gardens and hydroponic recirculating and run to waste gardens.

The Outdoor Moisture Formula holds a higher moisture content for hotter climates, outdoor application for less frequent waterings.

NOTE: Sold individually. Pallet quantity is listed for your reference in case you wish to order palletized.

MSRP: \$24.95

Price: \$17.33
