Pure Essentials Bud Enhance 4 Liters

Model: PEBEGA

Pure Essentials Bud Enhance 4 Liters

Manufacturer: C.A.P. Custom Automated Products

Bud Enhance

Pure Essentials Black Label Bud Enhance™ is engineered from a proprietary organic-base, Bud Enhance™ stimulates key enzymatic processes during flowering. Most importantly it allows your plants to focus their energies on the creation of dense flower sets through increasing their natural defense to heat, humidity extremes, and high light intensity.
