Rapid Rooter Kit. 50 plug tray

Model: PO120

Rapid Rooter Kit. 50 plug tray

Manufacturer: General Hydroponics

Rapid Rooter with 50 cell plastic tray and plugs by General Hydroponics. Rapid Rooter is a unique starter plug made from composted tree bark. Naturally occurring microbes colonize in the root zone and help provide a good air to water ratio making for very rapid root growth. This product will get your seeds or clones off to a great start!
