RapidStart Root Enhancer, 275ml

Model: hf-GH1701

RapidStart Root Enhancer, 275ml

Manufacturer: General Hydroponics

General Hydroponics RapidStart Root Enhancer, 275ml (GH1701)

RapidStart enhances your growing experience by delivering a powerful blend of premium plant extracts, amino acids, and nutrients generating explosive root growth. Using RapidStart stimulates prolific root branching and development of fine root hairs that increase nutrient uptake and grow healthier, whiter roots. Using RapidStart will make your plants explode! Use during the entire growing cycle in all types of growing media, including coco. RapidStart, strong finish; bigger is always better!

• Promotes prolific root growth• Expansive root branching with fine root hairs• Increases your root mass and plant biomass• Superior nutrient uptake through fine root hairs• Creates ductile roots that are flexible and don't break during transplant• Natural plant extracts• Beneficial throughout flowering• Works in all systems, media and environments
