Rasta Bob's Death Mite RTU, 32 oz.

Manufacturer: C.A.P. Custom Automated Products

Rasta Bob's Death Mite Spider Mites wreak havoc in your garden by extracting fluids located within the plant. As fluid is extracted, turgor pressure within the plant drops dramatically leading to severe wilting and in some cases even death. Don't let mites suck you dry, stop them in their tracks with Rasta Bob's Death Mite.
