Model: 630111

REPLACEMENT REFLECTOR FOR TEKLIGHT 2FT-4 LAMP

Manufacturer: Sun System / Sunlight Supply

Tek-Light® T5 HO Fluorescent Lighting Fixture
REPLACEMENT REFLECTOR FOR TEKLIGHT 2FT-4 LAMP

Aluminum body is lightweight, heavy duty and rust proof. Accommodates ultra efficient, high output T5 lamps (sold separately). 95% reflective German aluminum reflectors increase output by over 300%. Durable black powder coated finish. Major brand electronic ballasts. 4, 6, & 8 lamp configurations. Sleek profile only 2.5 inches high. 2 power switches and cords for better lighting control; allows independent use of timers. Cool operation and NO noise. Convection vents allows maximum air flow. Two 8 foot power cords - 120 volt. Optional protective acrylic lens's are available. Compatible with both of our cable hanging kits (sold separately). Patent Pending. 1 Year Warranty.
