Rock SuperCharge Root Tonic 20L

Model: hf-GGRS20L

Rock SuperCharge Root Tonic 20L

Manufacturer: HydroFarm

Rock Nutrients Rock SuperCharge Root Tonic 20L (GGRS20L) Rock SuperCharge incorporates years of research into keeping roots healthy and strong. It will help develop a thick, white root mass, helping overcome several root problems that growers may face. Rock SuperCharge can be used to help improve average yields, as well as growers who struggle to get the most out of their growth cycles. Use SuperCharge in all your hydroponics and soil growing methods.

Use SuperCharge throughout the entire growth cycle and bloom cycle at the rate of 4mL/1Gallon for normal plant maintenance. Use at 8mL/1Gallon for treatment of existing root problems to ensure your plant's good health.
