Roots Organics Player Pallet

Manufacturer: Aurora Innovations

Roots Organics Roots Organics Player Pallet (ROPLAYPLT)ROOTS ORGANICS PLAYER PALLET Aurora Innovations has been working hard to update our packaging and to introduce new products to our family of growers. As a result of our recent efforts, we are now offering a mixed pallet of growing media, some of which are our best selling brands in new packaging, and some are totally new growing mixes. This pallet includes: 12 BAGS OF ROOTS ORGANICS ORIGINAL POTTING SOIL Original Roots Organics free draining coco based potting soil. High porosity container mix for fast growing plants. Ample phosphorus and potassium for enhanced yields. Aurora's first and best growing mix.

9 BAGS OF ROOTS ORGANICS ORIGINAL POTTING SOIL MINI BAG

8 BAGS OF ROOTS ORGANICS FORMULA 707 3 CU FT World renowned formula uniting high porosity and good water holding capacity with select amendments to help plants get their start and give gardeners confidence to feed or amend heavily.

6 BAGS OF ROOTS ORGANICS FORMULA 707 1.5 CU FT

6 BAGS OF ROOTS ORGANICS GREENLITE Aggressively free draining container mix with the benefits of a quality potting soil and the responsiveness of hydroponics. Lots of perlite - light amendments for frequent feedings to accelerate growth and yields.

6 BAGS OF ROOTS ORGANICS GREENFIELD Greater water holding capacity and an ocean based fertilizer package designed for vigorous growth. Outdoor growing mix - great for indoor growing when stretched with perlite, vermiculite or rice hulls.

6 BAGS OF ROOTS ORGANICS BIG WORM Pure premium worm castings, one of organic gardeners' most amazing materials produced by worms fed a meticulously designed diet. Big Worm is screened to remove all bedding leaving only 100% high quality worm castings.

5 BAGS OF ROOTS ORGANICS COCO PALMS Starting from a base of premium low EC long composted coconut coir we use a natural buffering agent to ensure stability and ease of use. The only naturally buffered domestically flocked coir and the highest quality on the market.

5 BAGS OF ROOTS ORGANICS SOILLESS High porosity soilless media, with low EC coconut coir for frequent hand watering or hydro systems. Lightly charged with natural and organic amendments for pH stability and enhanced flavors, even when used with added synthetic nutrients.

3 BLOCKS OF ROOTS ORGANICS COCO CHIP The highest quality low EC long composted Coir Chips sustainably sourced from South Asia. Specific particle size ratios for enhanced aeration capacity and easy handling. Compressed 5 Kg blocks. Expands to about 14 dry gallons.

3 BLOCKS OF ROOTS ORGANICS COCO FIBER The highest quality low EC long composted Coir Fiber sustainably sourced from South Asia with a specifically designed fiber to pith ratio for enhanced aeration capacity. Compressed 4.5 Kg blocks. Expands to about 15 dry gallons.

3 BLOCKS OF ROOTS ORGANICS BIRD'S NEST COCO The highest quality low EC long composted chopped long coir fiber sustainably sourced from South Asia. Specific fiber lengths for enhanced aeration and easy handling. Compressed 4 Kg blocks. Expands to about 13 dry gallons.
