Roots Organics Trinity Carbo Catalyst, 1 qt

Manufacturer: Aurora Innovations

Roots Organics Roots Organics Trinity Carbo Catalyst, 1 qt (ROTQ) Roots Organics Trinity bio-catalyst is a blend of select organic compounds designed for maximum effect as a catalyst for plant and rhizosphere nutrient uptake and growth. Trinity is a universal nutrient supplement that can substantially increase yields and enhance the highest quality production and flavor during the growth and bloom stages of your potting soil grown plants. Trinity is a distinctive formula of complex carbohydrates and soy protein extracts combined to encourage plant vigor, reduce stress, rapidly accelerate growth and substantially increase yields. Trinity can be used with any nutrient program for increased micronutrient uptake.
