Model: hf-SF5130

Rose & Flower Insect Killer 32oz RTU

Manufacturer: Safer brand

Safer Rose & Flower Insect Killer 32oz RTU (SF5130) Safer® Brand Rose and Flower insect killer works as an insecticide. This product utilizes the power of potassium salts of fatty acids (insecticidal soap). The potassium salts weaken the insect's waxy protective outer shell and causes them to dehydrate and die.

The ability to use this product in your home and in your lawn or garden makes it the most economical and convenient solution to pest annoyances available on the market for rose care! This product is OMRI Listed® and compliant for use in organic gardening and does not kill beneficial insects when used as directed.

What it kills?

Aphids, beetles, caterpillars, crickets, earwigs, lace bugs, leafhoppers, mealybug control, mites, plant bugs, scale crawlers, thrips, and whiteflies

Where to use it?

Roses, flowers, shade trees, and ornamental plants
