Royal Gold Basement Mix

Royal Gold has developed Basement Mix with extensive field research throughout Humboldt County. Using farmers, gardeners and laboratory analyses we have developed the highest quality organic soil-less mix available on the market. Light charged with organic nutrients and the proper ratios of air to moisture. As each component plays an important role in the quality and consistency of the end product, proportions are measured and mixed with state of the art equipment, which insures premium quality in each bag.

NOTE: Sold individually. Pallet quantity is listed for your reference in case you wish to order palletized.
