Royal Gold Coco Fiber

Model: hf-RG14503

Royal Gold Coco Fiber

Manufacturer: HydroFarm

Royal Gold Royal Gold Coco Fiber (RG14503) Loose Coco can be used in Hydroponics, pots and containers, beds and most other growing techniques. Seedlings, cuttings, and rooted clones thrive in Royal Gold Coco! Start your plants off with a wet to dry schedule. After plants are established, feedings can increase. Root bound pots can be fed 1 to 6 times a day (depending on size of plant and size of container it is in). Be sure to feed often at the recommended application rate from any complete nutrient system. It is recommended that you use either a coco specific nutrient or supplement Calcium and Magnesium as coco soils use this at a higher rate!

Manufacturer's Product Information

MSRP each \$35.95
UPC609728631895
Dimensions 31 x 9 x 27

Case Quantity 1

Price: \$13.15
