RX Green Solutions Root, 4 oz

Model: hf-RXRT04OZ

RX Green Solutions Root, 4 oz

Manufacturer: -

ROOT is a fully soluble biological inoculant and soil amendment to promote beneficial bacterial colonization at the roots. Containing eight different beneficial microbes, these natural bacteria convert nitrogen and phosphorus to simpler forms, which improves nutrient uptake by the plant. ROOT enhances root growth, development and promotes plant health by improving soil fertility and plant nutrition. ROOT also contains Myconate (formononetin), a technology proven to stimulate colonization of beneficial root organisms.
