

SEA MAG 5 GALLON

Model: 723074

SEA MAG 5 GALLON

Manufacturer: Humboldt Nutrients

Humboldt Nutrients Sea Mag 1-3-4

Sea Mag may be utilized for any type of vegetable, flower, or herbs. Sea Mag is loaded with vital micro nutrients, plant hormones, and B-vitamins. Plant hormones control cell division, cell growth, cell differentiation, and various internal processes. Cytokynins and auxins are provided by sea plant extracts and organic acid complexes. Sea Mag can be used to supplement chelated magnesium, copper, and boron which plants require. Sea Mag prevents and corrects any potential deficiencies. Sea Mag has been formulated to have the correct nutrient ratios that plants require at specific times during their growing and flowering cycles.
