Shear Perfection Curved Trimming Shear 2in (12/Cs)

Manufacturer: -

Shear Perfection Titanium Curved Trimming Shear

This new line of premium quality hand tools will perform for years. This shear has a titanium coated curved stainless steel blade that will stay sharp longer. It is curved to get closer to the plants or in tight spots. Includes a comfort grip handle with spring loaded action for less fatigue. It has an easy-lock mechanism for safe storage. Right or left handed use. These shears are great for shaping or pruning your favorite plants.

Price: \$3.91
