## Shear Perfection Senshi Series High Carbon Steel Heavy Duty Shear (12/Cs)

Model: 800416

Shear Perfection Senshi Series High Carbon Steel Heavy Duty Shear (12/Cs)

Manufacturer: -

Shear Perfection™ Senshi™ Series High Carbon Steel Heavy Duty Shears are perfect for larger cuts of stockier plants as well as common trimming. Made of high quality Japanese Steel these Bonsai style scissors are easier on your hands and allow for more precise cutting motions. Shear Perfection™ Senshi™ Series scissors feature an ergonomic handle with index finger placement that allows for the most comfort for both right or left handed use. These heavy duty shears have a serrated lower blade allowing to cut even the stockiest of plants. These highly durable scissors are able to be sharpened. Made in Japan.
