Single T5 Fixture with Tube 48" - 54W

Manufacturer: HydroFarm

Single T5 Fixture with Tube 48" - 54W (eco-4015)T5 4' Reflector Kit
T5 High Performance Grow Light Reflector Kit

Connect up to 8 units into a daisy chain!

The T5 High Performance Grow Light Reflector Kit includes uniquely designed hardware that allows you to link multiple reflectors together. Now you can easily create a light configuration tailored to suit your specific growing area. The T5 Kit fits most T5 fluorescent grow lights and includes special "linking" hardware.

Super reflective interior finish directs more light energy to your plants

Increases efficiency of any T5 Grow Light

Hang it any way you like; use it as a center light, down light, or side light

Daisy chain up to 8 units and connect in numerous configurations
