Snow Storm Ultra, 5 Gal

Manufacturer: Humboldt County's Own

A Humboldt County original.

This amino acid based product tricks the plant into thinking its heat stressed. The result is intense resin, fragrance and flavor production plus the well-known "frosted" look that growers love. Emerald Triangle separated the Snow Storm from Purple Maxx and optimized it. No carbohydrates or sugar water. This is the real deal. An honest, one-of-a-kind product. The name says it all!

This product is also available in 15 gallon, 30 gallon, and 55 gallon drums.
