## SOS Beneficial Bacteria Qt

Model: hf-STOSQT

SOS Beneficial Bacteria Qt

Manufacturer: HydroFarm

STRATA International SOS Beneficial Bacteria Qt (STOSQT)SOS contains 19 species of naturally occurring beneficial bacteria. The microbes contained in SOS will promote stronger and faster root, stalk, flower and fruit development. It will also breakdown salts into bio available nutrients, remediate toxins present in soil and water, and speed the breakdown of dead organic material into bioavailable nutrients. Works great for both hydroponic and soil applications.
