Sugaree Gallon

Model: hf-CES2902

Sugaree Gallon

Manufacturer: Cutting Edge Solutions

Cutting Edge Solutions Sugaree Gallon (CES2902) Sugaree provides an organic carbohydrate and electrolyte source to stimulate amino acid production and provides a carbohydrate source. It contains polysaccharides folded into a matrix fortified with an emulsion of trace minerals. This formulation acts as a compensator as lowering sunlight levels at the end of season precipitate drops in photosynthetic rate and ATP (plant sugar) production. These additional carbohydrates provide the plant with the energy it requires to fuel respiration that drives fruit set. It's specially designed organic formulation targets increases in fruit set, retention, and sugar production.

Manufacturer's Product Information

MSRP each \$60
