SUN SYSTEM® BLUE WAVE® 2 - DUAL PULSE START REMOTE BALLAST METAL HALIDE 175 WATT 120 VOLT #M137

Model: 250045

SUN SYSTEM® BLUE WAVE® 2 - DUAL PULSE START REMOTE BALLAST METAL HALIDE 175 WATT 120 VOLT #M137

Manufacturer: Sun System / Sunlight Supply

Sun System® Blue Wave® 2 PS Remote Ballast
BLUEWAVE 2 350 MH PULSE START

Heat dispersing extruded aluminum ballast enclosure with durable blue powder coated finish. Major brand domestic ballast. High temperature 100 degree C capacitor. A Cool Wall™ uniquely offers two barrier walls between the ballast and the capacitor/ignitor keeping these critical components cool. Louvered end plates allows better cooling. Accommodates the lamp cord from all Reef Optix® and Lumen Max® reflectors. Key-way handle for easy carrying or hanging. 120 volt A/C receptacle allows fans, etc. to operate simultaneously with the light (Blue Wave® 1 & 3 only). Back lit on/off switch. Rubber feet reduce vibration and noise. 8 foot - 120 volt power cord. Includes one power cord so both lamps turn on & off at the same time. Unit has dual ballasts for burning 2 lamps simultaneously. All systems wired for 120 volt operation. 2 year Replace or Rebuild Warranty
