## SunBlaster T5 HO 2 ft 6400K Replacement Lamp (6/Cs)

Model: 901877

SunBlaster T5 HO 2 ft 6400K Replacement Lamp (6/Cs)

Manufacturer: FHD (Future Harvest Development)

SunBlaster™ T5 HO Fluorescent Lamps

High Output 6,400°K lamps simulate natural sunlight and are ideal for cuttings or vegetative growth. Some horticulturist's choose 2,700°K for budding and blooming. SunBlaster's T5 HO lamp produces a light of much greater strength than a conventional tube and, as a result, the energy input into the area being lit is much greater and the light penetration is far superior to anything previously available.

**Price: \$5.92**
